

High School Physics

Modeling Workshop

Kennebunk Maine

July 27-31, 2009: Modeling I - kinematics and dynamics

Aug. 3-7, 2009: Modeling II - energy, collisions, and circular motion

M-F, 8:00am-5:00pm

For high school teachers nationwide.

\$600 for each week long session-includes lunches.

Graduate credit available at extra cost.

Leader: Mike Waters, modeling leader for 6 years in 3 subjects.

Co-leader: James Vesenka, college physics modeler for 10 years.

Contact James Vesenka via FPUU office at 207-985-3700
