

Annual Blueberry Fair

First Parish Unitarian Universalist Church of Kennebunk, Maine

Saturday, July 22, 2017 from 9-3

This is an outside fair running along Route 1 in Kennebunk in front of the Library and beside the First Parish Unitarian Universalist Church. It is a fundraising event for the church, which has a history of great success with many repeat artisans, music, food and lots more. Thank you for your interest, we hope you will join us.

**ALL SPACES WILL BE OUTSIDE; THEY ARE 10'X10'
RENT IS \$75.00 PER SPACE**

Guidelines:

Requests for multiple adjacent spaces or a corner space will be granted on a first-come basis. There is some shade but you will need to be aware that it may rain or be very hot; bringing a tent or awning is suggested. You will need to bring your own tables.

Electricity is NOT available. Spaces will be marked and numbered. You may park close to the church when unloading only. You may set up as early as you wish; it is definitely a morning fair. We ask that everyone be ready to receive customers by 9 am. The fair goes on rain or shine. We ask that you clear your space by 5PM.

There are rest room facilities available. Luncheon and refreshments are available for purchase.

You will receive notification of your space and a map of the area in late June or early July. We do our best to accommodate the requests of returning artisans/crafters to have the same space – just be aware that we occasionally re-number the map!
