# *Weekly Update*

---

## **A Blessing for Us All**

In our last session of UU Wellspring, Rachel Wells wrote this beautiful prayer. It was used as the benediction in our service on 3/15.

May the ground soften and embrace the change,  
May the trees bend and sway to the storming winds,  
May the flowers blossom in the uncertainty of sun,  
May the rains fall until there is no rain left to give,  
May the interconnectedness of us all be our beacon of light,  
May we open our eyes and awaken while we hibernate in spring,  
And may we find one another again after the space between.

---

## **Special Notice from the Board of Directors**

In order to support the health and well-being of the congregation, The Board of Directors voted unanimously on 3/18/2020 to close the building effective Friday 3/20/2020. It will remain closed until further notice. We made this decision upon the recommendations of the Congregational Well-Being Task Force and after deep and careful consideration, rooted in best practices as described by the CDC and the Unitarian Universalist Association. We are not in a position to be able to keep up with the significant cleaning required to ensure the safety of all that use our building. All Groups, events and rentals have either been moved online, cancelled or postponed. There will be a limited number of individuals that will be checking the building daily.

We hope you take advantage of the many ways we plan to remain in community during this challenging time.

On behalf of your Board of Directors,  
Joan O'Hara and Wayne White, Co-Chairs

## Online Worship Service – how to join the service

To participate in the online worship service, we are using a technology called [Zoom\(link is external\)](#), which is online ("cloud-based") videoconferencing software.

There are three ways to join the service:

- From your phone or tablet, by downloading the zoom app. [[Apple iOS\(link is external\)](#)] [[Android\(link is external\)](#)]
- From a laptop or desktop computer [[download\(link is external\)](#)]
- By telephone (audio only)

You should have the software downloaded and installed on your device before the service starts.

Our services will be available at this URL, just click to join the service!

<https://zoom.us/j/734887010>(link is external)

If you need or would like to call in, the phone number is [929 205 6099](tel:9292056099) and you will be asked to enter the "meeting ID" when you call in. That ID number is **734 887 010**.

If you need help with Zoom, we have designated "Zoom Ushers" who can help you get set up so you can get into our virtual Sunday Services.

The following people are our designated Zoom Ushers:

- Chris Wells
- Hervé Lavoie
- Jaylene Summers

## Porch “Drop Box”

We are installing a small black mail “drop box” by the outside porch door. This will allow you to drop off pledges, Hannaford, and the like. Please do not leave any cash or valuables in the box. You should use the “milk box” on the porch for larger communications. Clynk bags will be left in the “milk-box”

---

## For Committees and Groups to Go Online

The Congregational Well-Being Task Force is discouraging in-person meetings of all kinds. With that said, if you are willing and able, we do encourage your committees and groups to meet virtually. We have resources available to help you get set up for a successful online meeting. Please contact Hervé Lavoie or Chris Wells from the directory for technical assistance.

There are three main services which can help you:

- [Zoom\(link is external\)](#) - the same service used for the Sunday Services. There is a paid account available to host the meetings with. This is the recommended method for hosting virtual meetings. Supports mobile devices, laptops/desktops, and call-in.
- [Google Meet\(link is external\)](#) - a free service from Google for online videoconferencing. Supports mobile devices, laptops/desktops, and call-in.
- [Uberconference\(link is external\)](#) - another free service which is simple to use, with excellent call-in support and screen sharing. May be the best option to have a traditional "conference call" but get some extra features.

All things considered, all three of these services have nearly identical features. A lot of it comes down to your level of comfort with the user interfaces of each. We encourage you to try out and get comfortable with one, or try them all to see which you prefer the most. *NOTE: The church has a paid Zoom account which will let your church-related group/committee host meetings without any of the free account limitations (ex.g. 40-minute meetings of more than 2 people). Please contact Crystal Jones at [uukennebunkoffice@gmail.com\(link sends e-mail\)](mailto:uukennebunkoffice@gmail.com) to get set up.*

## Special Request for Pledge Payments or Generous Offerings

We are pleased to offer anyone who is willing and able to take advantage of our new online method of paying committed pledges and/or generously donating to help us achieve our goals and mission. Go to our website, [www.uukennebunk.org](http://www.uukennebunk.org) and select either “pay your pledge” or “plate offering” to make a payment at the top of the page. We thank you for your continued generosity!

## No Place Like Home

No Place Like Home, a volunteer group started by Molly Hoadley, is offering to run errands for older adults at no cost. Call 588-2270 and leave a message. Someone will get back to you. We have a small cadre of volunteers willing to help. Stay safe.

## **Now is the time to help our Neighbors! And we can, by helping COS now.**

COS (Community Outreach Services) has been designated the leader in the 3 Kennebunks (Kennebunk, Kennebunkport and Arundel) in a unified effort with the town General Assistance Officers and the other service organizations to help our neighbors, be they children, elders, and whoever else who is experiencing unusual challenges at this time. This includes food, fuel and other specific needs.

### How can we all help?

COS has told us that they best way is by making donations in cash to COS. COS can use the funds in the best way. You can make your donation by going to the COS website [Coskennebunks.org](http://Coskennebunks.org). Food drive and food pantry donations can be made by drop-offs at the rear parking lot of St. Martha's Church on Route 1, Kennebunk, preferably between 12 pm - 4 pm Monday through Friday.

Monday- Friday Food Pantry hours for curbside pickup is 2 pm - 4 pm at the rear parking lot of St. Martha's Church. All food and specific needs requests must come through the 3 Town General Assistance Officers. Please call your General Assistance Officer and not the church.

The Friday Food Pantry will be held at this same location (St. Martha's) and will be curbside delivery. The time for this distribution to attendees will start at 9 am on Fridays until 10 am or until the food is gone. All participants must remain in their cars, and someone will deliver a food bag to you. We are asking our neighbors to abide by the 6-foot distancing rule set by the CDC.

We are strong, we will get through this challenge even stronger!  
Kathe Wright, FPUU representative to COS

## **A Special Message from Metta**

Metta (Kindliness, Benevolence, Loving)

At the recent meeting of the Buddhist Book Group we read some lovely Metta (Kindness, Benevolence, Friendly) phrases that can be said as a type of mantra or prayer or wish during this challenging time.

Our practice group thought they would like to offer these to support ease and comfort during these difficult times to everyone in our church community. They only take about 30 seconds to say silently to yourself or out loud with others if you wish to. It's suggested that you simply PAUSE and RELAX for a few moments as you say and repeat these following phrases several times:

“May I be safe and protected in the midst of this.”

“May I be peaceful in the midst of this.”

“May I live with ease and kindness in the midst of this.”

“May All beings be safe and protected in the midst of this.”

“May All Beings be peaceful in the midst of this.”

“May All Beings live with ease and kindness in the midst of this.”

Thank you, Jaylene Summers and the Buddhist Book Group

## **Walking the Green Practice Path Together - POSTPONED**

May all be safe and protected, healthy and caring deeply in the midst of it all. Blessings as you Shelter.

### 🎵 Choir Notes 🎵

When I first met Jaylene, I was living in New Jersey. I would visit Maine about every other weekend. Choir rehearsal was on a Friday night. I was working teaching then and could wangle a free period for the last thing on Friday. This let me drive 5 hours away and get to seven o'clock choir rehearsal. Needless to say, I arrived fresh and alert ready to sing. Kathy Rochon was the choir director then and was understanding of my situation. I was more or less the zombie of rehearsal.

My memory of those rehearsals is clouded but one of the things I remember about Sunday morning services is that the choir and the congregation were about equal in number! Don Rochon was the bass voice not to be ignored and I was the tenor from away riding on his volume and pitch. I loved to sing then, and I love to sing now, and then is a fond memory.

Now the choir has many more members and is a much more cohesive unit. Molly has taught us to blend and listen to one another as we sing. She also has made us realize the importance of energy and enjoying the music while we sing. So, after 30 years I am still learning new things about singing and having fun with music!!!

### **The Deep Burning Question..... Why Is Our Planet on Fire?**

#### **Introduction:**

There are some of us who **deny that our planet is on fire** or that the cause is man made. It is just a natural cycle that the earth is going through. If you are of this ilk, please lend your voice to these discussions.

There are those of us who are **deeply disturbed and even angry that this climate change threat even exists**, a serious inconvenience to the life we had planned for ourselves and our loved ones. We want someone, something, anything to blame. Come join us, your voice will be heard.

There are those of us who are **bargaining in all sorts of varied forms**. "If I can just do this or that, things will get better and I can get on with my life." You are welcome to add your thoughts to these discussions.

There are many of us who are **overwhelmed, even depressed**, and see little light at the end of the day. Many times, the feeling that I can't possibly make a difference pervades our thoughts. Please find the courage to add your voice to these discussions. Contrary to what you may feel, you are not alone. Your thoughts are very important.

There are those of us who have come to **accept the reality of this grave situation**. We have joined with like-minded people who are taking action in numerous and varied ways. The creative juices are flowing and there is genuine excitement as we face together the many challenges that this climate change emergency presents.

**Please join these discussions.** It is most important for others to hear about your own personal journey towards taking some kind of action to reduce your carbon footprint.

Some of the latest scientific data estimates that we may have as little as 8 to 10 years to put in place the varied solutions to mitigate the more destructive effects of climate change. A few voices are saying that only a WWII type mass mobilization, an all hands on deck moment, will provide the necessary focus to get the job done. The historic clock says the hour is late, but it is not midnight yet.

#### **What do You Think?**

*In the interest of keeping these discussions on topic, please leave your views on the current political climate at the door.*

# Funding Opportunities!

## ClynK Bottle Redemption

What is that sound you hear early Sunday mornings in the back hall? And ever wonder why you see members carrying wine bottles around?

FPUU not only recycles, but we turn in "Maine labeled" bottles and cans for money.

We have a **Clynk** deposit barrel in the kitchen. If you have more than you can carry, take home your very own green bag. The new Clynk bags are in the black filing cabinet to the right of the stage behind the back curtain.

Here is the Clynk website for more information: <https://www.clynk.com>

**Do you shop at Hannaford?**

**Easy Fundraiser!**

**For every \$1000 our community spends, Hannaford will award our church \$50!** If you shop at Hannaford, even a small amount, consider participating in this easy fundraiser.

Here's what you need to do...

**If you are NEW to the program** - Leave a check, made out to "FPUU" in the amount of \$5- 450, with "Hannaford" on the memo line, in the locked box of the church office door. We will leave a blank Hannaford gift card for you at the church.

**To ADD money to your card** - Leave a check, made out to "FPUU" in the amount of \$5- 450, with the four digit "PIN" from the back of your Hannaford Gift Card, on the memo line, in the locked box of the church office door.

If the total order amount is at least \$1000 we will send you an email telling you when the money will be credited to your card.

Deadline to submit checks: Monday evenings by 5 pm.

Email [FPUUHannaford@gmail.com](mailto:FPUUHannaford@gmail.com) if you have questions. Thanks! Rev. Lara, Eva and Myrna
