

# 43<sup>rd</sup> Annual Blueberry and Craft Fair

*First Parish Unitarian Universalist Church*

*Kennebunk, Maine*

**Saturday, July 27, 2019 from 9am-3pm**

This is an outside fair running along Route 1 in Kennebunk in front of the Library and beside the First Parish Unitarian Universalist Church. It is a fundraising event for the Church, which has a history of great success with many repeat artisans, music, food and lots more. Thank you for your interest, we hope you will join us.

**ALL SPACES WILL BE OUTSIDE. THEY ARE 11'X11'.**

**RENT IS \$70.00 PER SPACE IF YOU SIGN UP ON THE DAY OF THE FAIR OR \$75.00 AFTER THAT. THIS IS A RAIN OR SHINE EVENT. REFUNDS WILL ONLY BE GRANTED IF YOU / WE FIND A REPLACEMENT FOR YOUR SITE.**

## **Guidelines:**

- Requests for multiple adjacent spaces or a corner space will be granted on a first-come basis. There is some shade but you will need to be aware that it may rain or be very hot. We recommend you bring a canopy tent or awning of some kind. You will need to bring your own tables. Electricity is NOT available.
- Spaces will be marked and numbered. You may park close to the church when **unloading only**. Vehicle parking is available nearby. You may set up as early as you wish. We do not have assistants available. We ask that everyone be ready to receive customers by 9 am. The fair goes on rain or shine. We ask that you clear your space by 5PM.
- There are rest room facilities available. If you are alone we will provide church staff to watch your booth if you need a break. We will offer each booth a cup of coffee and your choice of a blueberry muffin or a piece of blueberry buckle for free. Luncheon and refreshments will be available for purchase and if you order early we will have it delivered to you at your booth.
- You will receive notification of your space and a map of the area in late June or early July. We do our best to accommodate the requests of returning artisans/crafters to have the same space – just be aware that we occasionally re-number the map! If you sign up the day of the fair for the following year, your chances of occupying the same site increases.
